

# ALEXANDER THOMAS

DIRECTOR / PHOTOGRAPHER

## ABOUT:

Alexander Thomas is a published photographer and music video director located in Los Angeles. Originally from Philadelphia, he has traveled through a large portion of the United States pursuing his passion; creating provocative images that showcase rarely discussed facets of the human mind, and alternative lifestyles. Fascinated with both postmodernist ideology and the human psyche, most of his work attempts to evoke a visceral feeling, while attempting to push the boundaries of societies self imposed limits.
